Outdoor Weather Disclaimer:

Tents, Awnings, and Market Umbrellas are temporary structures designed to handle most normal weather conditions; however, there may be situations that become unsafe such as high winds, flood, or lightning. Evacuation of tents, awnings or market umbrellas is recommended in these or other unsafe conditions. Awnings and Market umbrellas are not used in high wind conditions (gusts or sustained winds at or over 23MPH) and alternate equipment may need to be considered/ added. We always recommend weather insurance be added to your day of event insurance policy. Alternate weather plans may add additional costs.
